

## **Moot 2010 Subcamps Rowallan**

The Rowallan National camp is situated in Nairobi city about 20 minutes drive from the Central Business District. The beauty of Rowallan camp is in the caves, hike routes, bird watching, friendly monkeys and baboons on site, seasonal river and Ngong sanctuary where we have the most indigenous flora in Kenya.

The campsite area occupies a 30 acre piece of land leaving a 60 acre piece of land with a natural forest. The campsites have good running water taps, good toilets and bathrooms, modern swimming pool with excellent facilities, friendship corner where campers can have informal meetings in a good atmosphere, campsite kitchens and a large arena for all outdoor activities.

900 scouts will camp here.
