## The idea of the event

The World Scout Youth Forum (WSYF) provides an opportunity for young members of World Scouting to **discuss and express their views on different issues on scouting as well as our society in general**. Through preparing inputs and making recommendations to the World Conference and to the World Scout Committee, to which the Forum is linked, participants will develop the skills necessary to strengthen their capacity to take part in decision-making processes. Furthermore, it is a **perfect place to meet people that are dedicated to Scouting** and that are trying to leave this world a little better than they found it.

## Preparation phase

The WSYF participant is **part of the Swiss delegation to the World Scout Conference 2011 (WSC)** in Curitiba (Brazil). This means that he will take part in the whole preparation phase as well as a regular delegate in the WSC from 10<sup>th</sup> to 14<sup>th</sup> January 2011 following the WSYF.

Ideally, the WSYF participant will also take part as a Swiss delegate in the **European Scout Conference 2010 in Brussels** from 17<sup>th</sup> to 21<sup>st</sup> July 2010, since this is a good and helpful preparation for the events in Brazil.

## The candidate

We are looking for a young motivated scout under 26 that is committed to the international dimension of scouting. Previous international scouting experiences are an asset, but not a precondition.

You are willing and able to work with international scouting issues within the Swiss Guide and Scout Movement (MSdS / PBS) even after the WSYF.

You have a good command of English and you speak either French or German (or both). Further language skills are an asset.

## Application

Are you interested? Please send a **short (scout) CV** as well as a **motivation letter** (maximum one page) to the International Commissioner WOSM, Michael Rütimann / Kolibri at michael.ruetimann@pbs.ch **before 28<sup>th</sup> February 2010**.

For further questions, do not hesitate to contact Kolibri directly.
